

# RENEW

PREPARING FOR OUR SECOND  
CENTURY OF MINISTRY

BUILT ON THE STRONG FOUNDATION LAID  
BY THOSE WHO SHEPHERDED US FOR OUR FIRST  
HUNDRED YEARS, WE ARE NOW PREPARING FOR  
THE NEXT CENTURY BY CARING FOR THE SPACES  
THAT SHAPE DISCIPLES AND SEND THEM OUT  
TO SHARE CHRIST'S LIGHT WITH THE WORLD.

## CHURCH FAMILY,

This is a remarkable moment in the life of HP Pres. We are living through a joyful and vision-focused season that marks a significant chapter in our hundred-year story. Thanks to the faithfulness of those before us and friends like you, we stand on a strong foundation. God has enabled this church to endure storms, share the Gospel, and reach people in ways our founding members could never have imagined.

HP Pres has been blessed with remarkable growth, and with the arrival of our new Senior Pastor, Rev. Dr. Thomas Daniel, we feel this chapter will be even more fruitful. We are preparing for a new season.

After much prayer and planning, our elders and pastoral leaders have affirmed a vision to *Renew*—renewing our spaces to better welcome and serve families, and renewing our reach by committing to church planting, missions, and leadership development.

Assessments from our Session and feasibility team indicate the need for a \$20 million investment to restore aging systems, refresh worship, children’s and student spaces, and enhance our capacity to share the good news far beyond our campus.

This effort is more than buildings or budgets, but vision – ensuring HP Pres remains a vibrant,

gospel-centered presence for generations. It’s about making sure that we are good stewards of the generosity of previous generations. Most importantly, it allows us to be ready for whatever God has in store.

We invite you to:

1. **PRAY.** Join us in praying for this campaign, the ministry opportunities ahead, and for wisdom as we plan for growth.
2. **GIVE.** Contribute to the *Renew* campaign. Your support will help us lay a firm foundation to share the gospel for generations.

When you are ready to take part, please fill out a commitment card or visit [hppres.org/renew](http://hppres.org/renew).

In the coming weeks, a member of our lay-led *Renew* team will reach out personally to answer any questions you may have.

Thank you—for your generosity, prayers, and commitment to helping HP Pres build a faithful foundation for the next century of ministry.

Gratefully,

The Session of Highland Park  
Presbyterian Church

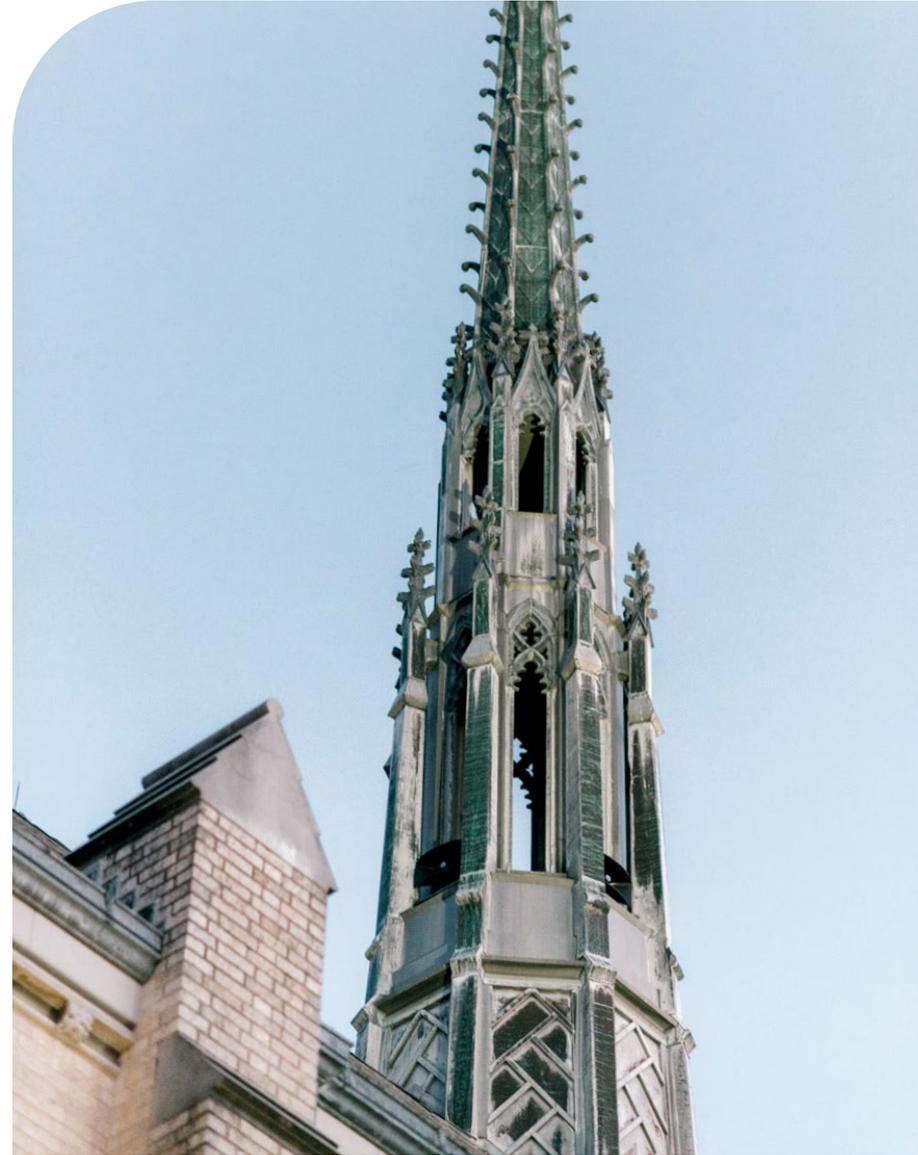

# RENEW

## PROJECT OVERVIEW

*Renew* encourages us to honor our past while building for the future—investing in spaces that help us fulfill our calling as a Jesus-centered church, where people of all generations experience the joy, hope, and transformative power of life in Christ.

We seek to renew our spaces so we can better welcome and serve families, and renew our reach to minister to those beyond our walls.

Together, we strive to fulfill our vision of leading all generations to find and follow Jesus for the flourishing of our city and beyond, for the next century and beyond.

# RENEWING OUR SPACES

Our campus is more than a collection of buildings—it is a sacred gathering place where faith is nurtured, relationships are created, and lives are transformed. By enriching our worship spaces, enhancing safety measures, undertaking meaningful renovations, and thoughtfully modernizing our infrastructure, we aim to renew these spaces.

Our goal is to reflect the vibrancy and warmth of our church family, ensuring that every generation can experience God's presence and community in welcoming and spiritually enriching ways.

## ENHANCED SECURITY

Stewardship goes beyond just maintaining our buildings - it means caring for everyone who enters our doors. Enhancing safety and security will foster a worry-free environment for all who gather here, allowing members, guests, and families to experience the peace of Christ without worry.

## CAMPUS CARE & RESTORATION

In recent years, we've seen how incidents like broken pipes, power outages, or failed air conditioners can quickly disrupt ministry. Many hidden parts of our campus are aging—well past their expected lifespan.

Similarly, several of the church homes on the west block are in need of maintenance. These homes are a blessing that allow us to recruit, train, and send future ministry leaders into the world. To be good neighbors and responsible stewards of church property, *Renew* includes refurbishments to these homes.

## REVITALIZED WORSHIP SPACES FOR ALL AGES

During *Renew*, the Sanctuary will receive much-needed care, including repairs to broken stained glass windows. *Renew* will also provide for technology and audiovisual upgrades in both our primary and next-generation worship spaces across our campus.

# RENEWING OUR REACH

For a century, HP Pres has served as a missions outpost in the heart of Dallas—where disciples are molded and sent to bring the Gospel to the world. *Renew* continues that legacy by investing in church plants and ministry partners that extend our reach beyond the confines of our campus.

## PLANTING NEW CHURCHES

Over the past 10 years, we've learned what is necessary to successfully plant churches: prayer, time, and investment. Launching a church plant that can develop into a healthy and self-sufficient church costs \$1 million over five years. Renew will bolster this important strategic work into the future, equipping our Church Planting Committee to impact generations to come, in Dallas and throughout our network of churches.

## BLESSING OUR MISSION PARTNERS

As part of our 100th anniversary celebration, we are delighted to bless some of our long-term ministry partners with a gift that advances the very heart of our shared mission: reaching the world with the hope of Jesus Christ. For a century, HP Pres has been dedicated to serving as an outpost for the gospel—sending, supporting, and standing with partners who carry the good news farther than we ever could alone. By investing in the vital work happening beyond our walls, we affirm that kingdom impact is greatest when the church links arms with faithful partners. This gift enables us not only to honor our past but also to propel our mission forward, ensuring our legacy of global witness will continue to grow in the coming century.

## RAISING UP NEXT GENERATION LEADERS

For a century, HP Pres has been a sending church—shaping, equipping, and launching leaders who have served Christ across our city and around the world. We have witnessed firsthand the fruit of this legacy: pastors, missionaries, church planters, and ministry leaders nurtured here who now carry the light of the Gospel into communities we could never reach alone. Through *Renew*, we continue this vital work by investing in the next generation of leaders, ensuring that HP Pres remains a place where God calls, forms, and sends people to make a lasting kingdom impact for decades to come.

RENEW EXISTS TO HELP PEOPLE  
OF EVERY GENERATION FIND AND  
FOLLOW JESUS. AS WE LOOK TOWARD  
THE NEXT CENTURY, WE INVITE  
YOU TO PRAY, GIVE, AND JOIN US  
IN LAYING A STRONG FOUNDATION  
FOR WHAT GOD HAS IN STORE.
